

# Personal Protective Equipment at Chorus

## Mobile Personal Protective Equipment (PPE) Unit

On Monday 8 February only, a safety representative will be available 7.00am to 3.00pm at each site to provide necessary PPE to any staff and volunteers who need it to perform their jobs.

After Monday, the mobile PPE unit will be visiting these sites during the week as listed.

To ensure stocks are able to be replenished, anyone requiring PPE will need to sign out anything they take.

**Speak to your Leader for advice on the PPE you require for your role.**
