

Chorus Rockingham/Kwinana Local Lead

Suzanne Hymers

1. **Before becoming a Local Lead, what was your role at Chorus?**

Before becoming a Local Lead, I was a Scheduler for SWM (South West Metro). Based out of Rockingham and mostly scheduling Transport Services.

2. **How long have you worked at Chorus?**

I have been with Chorus since January 2014, so just over seven years. I did have a break to have my last baby but have been back for three and a half years.

3. **What excites you about being a Local Lead?**

It is exciting to be part of shaping what the future of Chorus looks like and helping to create positive change.

4. **What is your work style/what is the way best to support you at work?**

I like to get in and get things done and I enjoy being busy. The best way to support me at work is to be direct with me and open to having a chat and a laugh.

5. **What are your passions outside of work?**

I enjoy being involved in my local community and helping out at my daughter's school where I run the scholastics book club. I love books and coffee too.

6. **People would be surprised if they knew:**

I helped coordinate a school fete that had over 5000 people attend (turns out my besties can talk me into anything!)
